

# Pumps and Motors for Industrial Applications

Reman, Aftermarket and High Quality Repairs

## Extensive Unmatched Inventory Paired with Exceptional Technical Knowledge

Our inventory allows us to serve your immediate hydraulic needs with unsurpassed ability. We carry thousands of units, reman and aftermarket, most ship the same day. If downtime is an issue and you just cannot wait for a repair, we are your answer. We carry a variety of brands like Vickers®, Eaton®, Bosch®/Rexroth®, Denison®, Dynex®, Parker®, Staffa®, Double-A®, Racine®, Oilgear® and Sundstrand® to name a few. All remanufactured units are built with components that meet or exceed the original equipment manufacturer's specifications and come with an industry leading 18 month warranty (18 months from date of purchase, 12 months from date of install).

And when it comes to repairs, there is no one better equipped to handle them. Our expert technicians are factory authorized and trained. Furthermore, we have trained technicians that specialize in some of the more popular flagship units, like Vickers MHT Series and Staffa HMB Series. You can rely on us to repair any industrial hydraulic component, including classic & obsolete.
